- Holidays. Mike Graham asked that with the holiday fast approaching us that we check and see if our Airmen need help. Specifically, DECA has gift cards; we have the Angel Tree Program, etc... Bottom line: We need to help our Airmen!!!!

**NEW BUSINESS:**

Elections. Mike Crain is resigning due to retirement. Charley Toole is deployed and will return in December. Elections were scheduled to take place during the meeting. However, after a long discussion on procedure, everyone left the meeting with the exception of five members. Due to new information provided in the meeting and the current status of Charley Toole, the remaining members in the meeting elected to default/align the process as outlined in the constitution. Charley Toole will assume the position of President. The executive board will appoint Dale Griffith to the position of VP for the remainder of the current term. Normal elections will take place after the first of the year.

- 50/50. None.
